Assessor Comments	Wonderful opportunity to purchase from a genetically 1st Class Cow herd consisting of Bongongo, Rennylea and Crawford Angus bloodlines. These steers are out of large frame cows & are noted feedlot performers only being sold at this weight due to the the tough season . Quiet, well handled cattle that have been on the crop for the last 4 weeks. Showing plenty of length & shape already, these cattle will perform. A very classy B-Double load of top of the drop steers. Note: 3 steers with light eye blemish and 12 steers with old ring worm.
