	Absolute pleasure to handle, well behaved cattle.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	Excellent quality calves gaining weight quickly at present on top quality feed. Recent better weather in the district is helping		

these calves maximise their weight gain. Calves are showing plenty of maturity and will handle weaning with ease. These calves would make excellent future breeders if so desired. Vendor has offered to yard wean calves on excellent silage before pickup if buyer desires. Noted one calf with very small scar on eye and 2 with small amount of ringworm around eyes, looks to be healing.
