	The heifers were generally good to handle in the yards, some moving a little faster than others when filming them but they would stop and block up well. In the weigh box 6 heifers moved back and forth and exited faster than the rest.		
Handled With	Bikes , Vehicles		
Assessor Comments	A good run of Angus heifers with some breeding behind them. These heifers are ready to join to the bull of your choice, or run on to heavy kill cattle. These heifers are out of Rennyalea / Dunoon blood cows and are by Dunoon and Ardrossan bulls. These heifers were a little unsettled when we first started filming them, but they did settle and do block up well. Some heifers showing a small % of old ringworm. 2 heifers had a little white on the udder. One heifer had a very old pinkeye scar. The heifers are Greenham Never Ever grass fed accredited. Vendor has another lot of 66 Angus steers in this sale.
