| Assessor Comments | Deloraine Holdings are offering 3 lots of weaned calves in this sale. They have carefully selected AI sires to use of their big framed and well covered Fresian cows. These Heifers are by Woodlands Pharoah GDW P5 and present as even line of first cross heifer weaners. All bucket reared. These Heifers are well boned and full of frame for their age, to put weight onto given the right opportunity. Very good to handle, quiet and well managed. Opportunity to purchase price point cattle with a great deal of breeding and husbandry behind them. |
