Assessor Comments	A nice little line of Angus X heifer weaners. Weaned back on the 31st of May now present as a very quiet mob of calves to handle. Carrying no excess condition due to the seasonal conditions experienced across the district, certainly weaners that would kick on quickly as we get towards the warmer months. Nicely bred, low dollar cattle to put away to ride this cattle market up later in the year. Note NLIS tags were scanned at assessment so happy to do the transfers at no cost.
