Assessor Comments	19 young Angus/Friesian x steers that are very quiet and are well weaned. Ideal store steers to tip out for next year. They have been well handled and very quiet to work with. As per photos some do have small white patches. 1 steer had start of pink eye and was treated at assessment and another had old pinkeye scar. 3 steers do have small horns so cant guarantee their exact breeding but do present similar types of steers. Please note same vendor has 8 heifers in same sale which make up a tray truck load.
