| Assessor Comments  | Arrawidgee offers 8 Friesian/Jersey x steers that do present pretty well and are very quiet. They have been well reared and weaned and been running on the Jerilderie plains. Due to floods that have been carted to holding paddocks at Finley for easier access. They were bulk weighed with a big curfew to average 245kg. They have frame and am sure will continue to do well. Please note same vendor has 267hd in the consignment and would appreciate any support. Opportunity to put together a truckload of cheaper type steers. |
