Assessor Comments	Arrawidgee offers 22 Jersey x steers that are very quiet and healthy. They have been well reared and weaned and been running on the Jerilderie plains. Due to floods that have been carted to holding paddocks at Finley for easier access. They were bulk weighed with a big curfew to average 149 kg. They are healthy steers that are sure will continue to do well. 1 steer had pinkeye which will be treated and 1 or 2 may have old pinkeye scarring. Please note same vendor has 267hd in the consignment and would appreciate any support. Good quiet steers that won't cost a lot.
