Assessor Comments	Arrawidgee offers 15 xbred dairy heifers that were purchased direct off breeder surplus to requirements. They have been well reared and weaned and been running on the Jerilderie plains. Due to floods that have been carted to holding paddocks at Finley for easier access. They were bulk weighed with a big curfew to average 150 kg. They are very quiet heifers that are doing well. May be 1 or 2 with old pinkeye scarring. Please note same vendor has another lot of heifers in sale and has 267hd in the consignment and would appreciate any support.
