Assessor Comments	A good quality line of light weight Brahman and Crossbred heifers that are sound, in good condition and ready to move on. Exceptional temperament with extensive education. These heifers have had all the hard work and handling done and just need time to fill their potential. Moderate framed heifers out of a highly functional and fertile herd of brahman cross cows by Brahman, Charolais, Droughtmaster and Angus bulls. Predominately #4's with a very small percentage of #3 heifers. Ideal heifers to tuck away over the growing season and turn off as backgrounders and feeder heifers or join to the bull of your choice. Vendor has a line of 4 decks of steers in same sale.
