	Very well mannered young cattle, extensively handled throughout their lives. Very easy to draft, weigh and photograph.					

Handled With	Walked out of the yards and stood quietly in the sunshine. Bikes , Dogs , On foot , Vehicles
Assessor Comments	Very quiet lot of steers to take on. Cattle that would ideally suit a bullock fattener looking for some good quiet steers that behave themselves in the yards and paddock and won't run you over. Extensively handled their entire lives. Grazed on the roadside with traffic going past, and strip grazed behind a single strand of hot tape without hassle. Steers are all in very good order with plenty of shape and future yielding ability with some outstanding genetics to boast. Out of a Davilak (Mansfield) bred cow, By select Table Top sires. Long, deep, meaty cattle that are bred to perform. Buyers please note. 1 steer noted with a small scar, 1 steers with some warts, 2 steers with a small white patch on their flank. None of the above deemed detrimental. Please see photos & video for full contentment.
