	Heifers performed well under pressure.		
Handled With	Bikes , On foot , Vehicles		

Notable Traits	Traits
4 Head	Light Pinkeye Scaring

Assessor Comments	DJ & FE Damm offer 12 angus weaner heifers. Heifers present in forward store condition and with a great deal of length and frame. With Merridale and Llandarlo blood these weaners have a great deal of breeding behind them. Heifers that are getting very close to joining weight and would be a perfect addition to existing or create a new female herd, heifers would also suit a grass or supplementary feed program. Tail removed.
Assessor	**William Jennings (Level 1 Accredited)** Phone: 0447 766 503
