| Assessor Comments | The heifers are a present as good line in fresh store condition being 1 year old coming through a dry winter and spring. They have come from numerous properties, depot at the one property and now going forward. This line of heifers are an ideal backgrounder line of heifers offering a medium to large frame, showing good improvement on fresh feed. There is 15 with small skurs or tipped horn. The Watervalley cattle are well known for their doing ability and will perform well for those buyers with feed and wish to add value to their purchases. The Watervalley cows continually run with bulls , these heifer havent seen a bull since weaning back in March / April. Vendor has an other line of 34 in this sale from other property within 30 km which may help with truckingl loads. |
