Handled With	Bikes , On foot , Vehicles

Assessor Comments	14 x 14 3.8 year old, PTIC 'Wirruna' and 'Claredale' blood Poll Hereford heifers and calves. Calves are 5 to 6 months of age and averaged 236kg at assessment, sired by 'The Ranch' Poll Hereford bull (2 x calves sired by unknown bull whilst on agistment and don't show pure Hereford characteristics but are still solid sappy calves, see photos). These heifers are guaranteed PTIC to 'The Ranch' blood Poll Hereford bull and are doing a great job on their calves considering the season. All heifers and calves are very quiet and easy to handle. At pregnancy scanning there was 10 x red tags (5-6 months), and 4 x blue tags (2-4 months). Buyers note: 3 x calves noticed to have blue eye scarring, 1 of which has a slightly popped eye (see photos). There is another line of 5x5 heifers and calves in this sale from the same vendor.
