Assessor Comments	A dispersal line of Angus cows that have and will continue to produce award winning Wagyu/Angus cattle. These cows have produced award winning progeny at the recent Wagyu awards, refer to photos. They will be offered as a run out of the gate totalling 66 head. They are preg tested to calve from the 14/9 until 2/11. These cows are very quiet and are a pleasure to handle and would be a welcome addition to any herd, ideal cows with the hard work all done they present in ideal condition to keep them going until calving. A full animal health program is in place with all treatments and vets calving dates attached to the assesment. Please note vendor has 4 other lots of PTIC young Angus cows these cows are a dispersal of the F1 producing cattle as vendor is moving into a full wagyu operation.
