Assessor Comments	120 Angus steers to be offered in 2 even lines of 60, weighed between 350-380 kgs to ave. 365kg at assessment. Steers are forward store, fresh and present in a very even line. Cattle are known to perform on grass or grain and carcasses are high yielding and high marbling when processed. Excellent opportunity to secure a big even draft of young steers. 200 steers in today's sale.
