4 Head	White udder/ underbelly	

Assessor Comments	Buyers, on offer is a neat line of top-quality Angus and Angus Cross first-calf heifers. These moderate to large-framed heifers possess all the key attributes to develop into excellent breeder cattle. They have been vet preg-tested in calf, joined within a tight 6–8 months window to top-quality Glenavon, Graneta, and U8J bulls, specifically selected for their low birthweight traits. Please note, a few heifers present with slight blight scarring, four have white udders, and one has a white spot on her head. This vendor also has another lot in this sale.
