Assessor Comments	85 Angus steers, weighed between 380-420 kgs to ave. 393 kg at assessment. Steers are forward store, fresh and present in a very even line. Cattle are known to perform on grass or grain and carcasses are high yielding and high marbling when processed. Excellent opportunity to secure a big even draft of young steers. 200 steers in today's sale.				
Assessor	Adam Bradley (Level 1 Accredited) Phone: 0428 838 285
