These steers have great length of body with depth of flank, thickness volume and strength of spine. All steers are extremely soft smooth easy doing types with great weight for age only being 8 to 11 months old. Steers are very well bred being out of medium to large frame charbray & Brahman cross cows by stud Moongool & Palgrove Charolais sires. Steers are extremely quiet to handle both in yards and working through the crush. Vendor has Charolais cross line in from bore yards in same sale.
