Assessor Comments	2 decks of Top Quality, Vendor Bred, Grass Fed & Antibiotic Free Yearling Angus Heifer. Sired by Hazeldean, Booroomooka & Ardrossan Angus Bulls these females would be make ideal replacements. Weighed up into a tight weight range 256-327kg. Heifers have only been running on native grass country and would explode on crop or feed. The temperament of these heifers is very good and would be an asset to any breeding operation. Tail removed. 2 heifers with blue dot in eye NDD, burrs through coat & tail brush due to access to creek country. Some signs of rubbing and cycling. Tremendous line of vendor bred heifers, that stand on good bone, ready to hit their straps!
