Assessor Comments	On offer are 68 excellent quality, weaned, vendor-bred Angus steers. Bred from a large-framed Pathfinder Angus cow herd and sired by the O'leary's stud Narranmore Angus bulls. With a first dose of 5 in 1 vaccinations at weaning in March, these steers are not long off feedlot entry weights and are already on the do, coming off an oat crop. Purchase with confidence. Comes with assessors highest recommendation.
