Temperament

Yards	Crush	Paddock
Quiet: 30 head	Docile: 1 head Quiet: 24 head Slightly Stirry: 5 head	Temperament not assessed in Paddock

These cattle are exceptional to handle in the yards. They flow through gateways calmly and with ease. The cattle listed as slightly stirry are cattle that become uneasy when excess pressure is applied but when pressure is released they are very quick to calm down.

Handled With Bikes , Dogs , Horses

Assessor Comments This is an chance to secure a line of front paddock quality heifers with all the breeding you could ask for with genetics hand picked from leading Queensland and New South Wales Santa studs. These heifers display great softness, frame and femininity that will see them grow into exceptional breeders. The heifers in this lot work through the yards with ease and were very calm through the assessing process. These heifers are bred out of a very well know western Queensland Santa herd with and emphasis on fertility and temperament. Buyers note there is 6 heifers with white markings on their underline and 3 heifers with fly irritation.
