Steers were generally good to handle, showing normal yearling tendencies. The steers would tend to trot in the big yards and needed some slowing through gateways. Steers can become agitated when singled out, but settle quickly when returned to the mob. A number of steers became agitated in the confines of the crush and exited quickly to return to the

	mob.

Assessor Comments	Buyers, on offer 38 top quality Angus steers that are in store condition and ready to go ahead. Steers show all the traits to hit the premium Angus cross Angus market. Steers are well grown for their age and are expected to keep powering ahead. Buyers, please note that one steer had some blight scarring in one eye but was not deemed an issue. Buyers, a nice line of fully weaned Angus steers read to take through to either heavy feeder or bullock.
