Assessor Comments	Attention all today we have to offer 21 very well bred Simmental Cross Heifers. All the hard work has been done here. The Heifers have been backgrounding and moved daily. The temperament is just right with making it very easy to handle in the yards. The Heifers are a healthy average of 406kg on delivery and are showing great frame and performance with doing up to 1kg a day.This is a great line of Heifers to take forward to breed from or take to the kill. Please note cattle are located in the ticks and will require clearing before moving across the tick free line this will be at the purchases expense vendor has pretreated with Cydectin pour on to help this process.
