	Quiet: 34 head	Quiet: 34 head	Temperament not assessed in Paddock

Handled With Bikes , Dogs , Vehicles

Assessor Comments On offer is a excellent line of trade heifers, these heifers have had 2 shots of 5 in 1 and are powering ahead at the moment averaging 1kg per day on fresh feed, these heifers are well known for temperament and weight gain. These heifers show great weight for age and plenty of frame to continue growing into heavy trade or export heifers, this line would be suitable as replacement breeders or too trade into heavier markets

Assessor **Will Loudon (Level 1 Accredited)**
