Assessor Comments	Buyers, here is a great line of straight Angus vendor bred heifers that average 296kg. These heifers present in good store condition with great length of body and breed type, they show nice bone with plenty of volume. Heifers are bred out of medium to large frame straight Angus cows by top quality stud Angus genetics. Heifers worked well through yards. Heifers haven't been near a bull and are ready to join. This line of heifers would make great future breeders.
