Assessor Comments	A great opportunity to purchase some good quality Angus cow & calf units with years of breeding. They were easy to handle in yards and crush and would be ideal to continue as breeders to add to a herd or as a start up for someone looking for quality breeders. Cows are bred on Hazeldean, Carribar & Diamond Ridge bloodlines which reflects in the quality of these females. Calves are sired by a Carribar Angus bull. These cow & calf units only being offered for sale due to owners wishing to retire.
