Assessor Comments	Buyers, here are 6 straight Angus cows and calves that are extremely fertile & quiet to handle. These cows present in forward store condition doing a fantastic job on their calves. Cows show good length with muscle and bone but still remain soft smooth easy doing types. These cows show nice volume with femininity being very fertile, having a calf every year. Cows are doing a great job on calves being very sappy. Cows have been running back with Angus bulls since the 3rd of July 2025. This line of cows are extremely quiet to handle both in yards and paddock. These cows are only for sale due to sale of property. Note 2 cows had white on udder.
