Assessor Comments	Buyers an excellent opportunity presents itself to purchase a VERY GOOD QUALITY line of 19 EU ACCREDITED vendor bred Angus x Hereford cross NOT STATION MATED HEIFERS. The Nixon family is a name synonymous in the Hereford breed and recently have been purchasing top end Angus bulls to add to their program. This group of Black Baldy heifers show all signs to make top quality replacement breeders, showing femininity, sound conformation and great temperament. Presented in store to forward store condition and currently gaining weight, heifers would be ideal to take home and join to the bull of your choice. Buyers please note, one heifer presented with slight warts on neck, and two heifers showed slight cloudy blue eyes. Please see photos and videos for further satisfaction. *Vendor also selling another two lots in same sale*.
