Temperament

Yards	Crush	Paddock
Quiet: 36 head	Quiet: 25 head Slightly Stirry: 11 head	Temperament not assessed in Paddock

Cows flowed through a muddy set of yards very well, they walked up the race and into the crush with ease and due to a raised set of scales and some extra noise a small amount became agitated, once released into the mob they quickly became quiet again. refer to the video when the calves are put back with the cows and notice how docile the cows became.
