Assessor Comments	Buyers here on offer is a fantastic line of heifers that are ready to power ahead. These have had all the hard work done and ready to grow out nicely. They would be ideal heifers to grow out and join in time to come showing desirable feminine attributes. These heifers would also suit domestic feeder markets. Please note a small percentage of heifers showed signs of a small amount of ringworm. This is if no detriment to the heifers. They are all weaned and well educated and are sure to impress buyers.
