	Steers were settled through Assessment process; all were drafted through the weigh box while the younger steers in this Auction & Heifers were separated. A couple of the steers ran around a bit in back yards and were uneasy in weigh box but once away from assessment process they settled back with mob with ease.

Assessor Comments	26 Steers that have the ability to continue to grow and have ample opportunity to put weight on with the right feed mix. Plenty of bone and frame in these steers. Bred from big frame cows these steers should perform well. A nice even deck of steers to transport with. This vendor also has a draft of Heifers and a draft of younger steers in same Auction
