Very Good	60%
Good	35%
Fair	5%

Assessor Comments	Buyers an opportunity to purchase a quality line of EGELABRA BLOOD SIL maiden (2024 drop) ewes with their entire breeding life ahead of them. These ewes are the classed in ewes from the Hillalong flock with non to be retained by the vendor so you will be buying the cream of the crop. The ewes are all scanned in lamb to the ELGELABRA rams after a tight joining window of 36 days at 1.6% rams. These ewes were shorn on the 11th of June with the flock micron from shearing ranging from 17.4 - 18.7 micron. This is a rear opportunity to purchase a line of breeding ewes from the depth of the Hillalong Flock offering a great chance to boost a quality wool cutting breeding flock. Don't miss the opportunity to secure ewes of this quality. Plese note the vendor does have the scanned empty sister in the same sale.
