Temperament	<table><tr><th>Yards</th><th>Crush</th><th>Paddock</th></tr><tr><td>Quiet: 19 head</td><td>Quiet: 19 head</td><td>Temperament not assessed in Paddock</td></tr></table> Cattle were extremely good to handle in and through the yards. They were a pleasure to work with both crush wise and in the bigger yards. They are worked using Low Stress Stock Handling techniques and are used to being grazed in single electric wire grazing cells. Handled With	Bikes , On foot , Vehicles																								
Assessor Comments	Heifers are good to very good with two head fair quality. Medium frame with good weight for age, the majority suit to take as future breeders or all could be backgrounded to domestic feeder weights. These heifers have been raised in a cell grazing operation and are familiar with electric fences. They are an absolute pleasure to handle. Note also the 31 heifers this sale same vendor which are the non AA types.																								
Assessor	Danny Wilkie (Level 1 Accredited) Phone: 0427 009 585																								
Delivery Period	21/11/2022 to 25/11/2022 (5 days)
