Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	*JS Schinckel - Quality Store Lambs, Top Draft* 291 x 1st X Suckers Lambs, 50% Poll Dorset/Merino X & 50% White Suffolk/Merino X, April/May 2025. These Lambs averaged 42.3kg and were 100% weighed 38.5kg+ at assessment. The lambs were weaned 28/8/2025 onto a fresh sown Barley Crop which had made these lambs jump out of their skins. They are really well grown and 2 parts of their way to being a heavy weighed kill lamb. Given the fresh feed the skins on these lambs have greased up showing how healthy they are and how they are marching forwards. The lambs will not disappoint. ****Please Note these lambs will be crutched prior to delivery****
