Assessor Comments	Buyers, here is a good line of weaned straight Angus heifers with top quality genetics. These heifers present in good store condition averaging 268kg. Heifers have nice length of body with femininity, show nice spring of rib and volume with plenty of softness. Heifers are bred out of top quality southern bred Angus cows by very good quality stud Angus sires. This line of heifers where very quiet to handle through yards and in race. 5 heifers showed spot of old blight scaring but not detrimental. 4 heifers show small white underline. Buyers note vendor has steer line in same sale.
