Assessor Comments	Buyers, here is a good line of weaned straight Angus steers with top quality genetics. These steers present in store condition averaging 272kg. Steers have nice thickness with depth of flank, have good length of body with softness. Steers are bred out of top quality southern bred Angus cows by very good quality stud Angus sires. This line of steers where very quiet to handle through yards and in race. 5 steers showed spot of old blight scarring but not detrimental. 3 steers show small white underline. Buyers note vendor has heifer line in same sale.
