Assessor Comments	Buyers, on offer, 120 very well bred Simmental, Charolais and Brangus infused weaner heifers with a great deal of compensatory gain on offer. Heifers have received full weaning program and are expected to respond very quickly given the opportunity. Heifers show very good growth for age. The Finger family herd is based on leading genetics from a long line of vendor bred females and have spared no expense purchasing leading genetics from Woonallee, Meldon Park Simmentals, National Brangus sale and Lamont Charolais infused bulls. Buyers, 120 heifers that will excel in the heavy feeder heifers program or replacement breeder, worth your consideration. NOTE - HEIFERS WILL BE OFFERED CLEAR OF TICKS AT NO FURTHER EXPENSE TO THE BUYER.
