	Steers were very good to handle. Cattle have seen plenty of people and worked very well through the yards being there second day off their mothers.

Assessor Comments	Good light deck line of crossbred steers. Majority flatback steers with a few Droughtmaster crosses. Would suit all jobs and plenty of gain in these young light weight cattle. Treated with ExZolt Pour On on the assessment day (02/09/25) to give them their best chance if going into the clean. Please see videos to be happy with breed. ** Vendor has a Deck lot of heifers in the same sale**
