| Assessor Comments | On offer is a very good line of EU-accredited Angus heifers, featuring proven bloodlines from Wattle Top, Knowla, and Gleavon. Bred by the respected Skipper family, who are known for consistently investing in top-tier genetics, these heifers |

| | |
|---|---|
| | come from a herd that prioritizes high growth, IMF, and fertility. 3 heifers have minor white markings from the navel back. 2 heifers have old pink eye scarring in one eye, which does not affect their vision or performance. An opportunity to secure high-quality, future-breeding females with performance backing and reputable bloodlines. These heifers would make excellent additions to any breeding program. Whether you're looking to join them to a bull of your choice, grow them out on pasture, or take them through to heavy feeders, they offer versatility and performance. There is 55 of their sister in the same sale |
