Heifers were drafted easily through yards by handlers on foot. A minimalistic number didn't settle in the vet crush but were otherwise good to handle

Handled With	Bikes , Dogs , Horses , On foot
Assessor Comments	Anybody looking to find quality Angus breeders need look no further. These are the younger draft of the entire heifer no. 5 production. Take these heifers home and join them to a bull of your choice and instantly be producing premium quality cattle. If you are in the ticks , where do you find quality Angus females. In the clean ? these heifers will be offered clean on property for ease of delivery. 3 heifers were seen to have scurs which may be linked to bought in cows used some years ago.
