Assessor Comments	Buyers a Bdouble line of Vendor bred lightweight weaned Angus cross heifers . All the hard work is done ,fully weaned and educated and ready to power ahead in the spring. Bred out of good framed Ultrablack ,Santa and Charolais cows by Booramooka, Coollie and Tevoli Angus bulls .Heifers were early weaned in April due to seasonal conditions but have now been roaring along on a grazing wheat crop and achieving great weight gains. Ideally suited to take through to Domestic or heavy feeder weights with most suiting a 75% Angus programme or alternatively have the breeding to be joined and retained into a breeder operation. Please note three have slight blight scarring in one eye and some showing lice rub neither considered detrimental. Vendor has 3 decks of Angus sisters this sale.
