Assessor Comments	These 7 weaner Steers present a good opportunity to grow out to sell as a backgrounder or keep to grow out into bullocks. Steers are very quiet, well natured and easy to handle. They have been weaned for 7 days and are ready to be put away					

and grown out. They are out of cross bred cows and they have done a very good job on these weaners and like there mothers will grow out into big framed bullocks given the right opportunity. This vendor also has the steer portion in this sale.
