Assessor Comments	A small but sweet group of heifers. These heifers have impeccable temperaments, a pleasure to do anything with in or out of the yards. Out of large framed Angus cows by Bowen Angus bulls, these heifers present in forward store condition ideal weight and maturity to join. Heifers were assessed after a 15 hour overnight curfew. These heifers stand on good bone, show great depth throughout, with lovely feminine heads and well hooded eyes. 1 heifer may show with a little cross (see photos) but that would be very picky. 2 heifers with some warts and ringworm on neck and head.
