Assessor Comments	On offer is a good line of 6–7-year-old Merino Ewes, pure Tallawong blood. Ewes cut 6kg of 17.5-micron wool this year and had done a very good job on their lambs that were weaned off in September. With majority 6 year olds in mob, these Ewes present in fresh store to forward store condition. With good mouths for their age, they are ready to join to the Ram of your choice. Please note: Ewes are to be crutched before delivery and very odd Ewe with scur.
