Assessor Comments	On offer is a good quality 2 deck line of vendor bred Angus/Santa cross females. These heifers have good frame, well fleshed and sound structure. They handled well through the yards and are suitable for trading or breeding. Young heifers that are being sold at a time to give the purchaser many options. Located south of the tick line they were given a 5in1 & a botulism at weaning and 3 head have a lump from this procedure. Vendor has another line of 4 decks #4Santa heifers in same sale.
