Assessor Comments	Buyers on offer are an exceptionally well bred line of Pooginook blood maiden merino ewes. Ewes present in forward to fat condition having bloomed into robust females. Ewes carry a quality fleece on there backs with a light amount of water damage from this seasons weather on a small % of ewes, a small % of ewes have a long toe which appear to be starting to crack off. Ewes are long plain, deep bodied sheep. These ewes come with my highest recommendations please call with any questions.
