Assessor Comments	Fredlim - Genuine Dispersal, property has been sold. Presents the opportunity to purchase classed in pure Pooginook bld ewes that are fertile and fill bales. The Frederick family have bred Pure Pooginook merino's for 30 years plus. With the original ewes coming from Pooginook station itself. Good Dual purpose wool sheep like these are tightly held and few and far between. These Ewes have all reared lambs and have had this seasons drop weaned off them within the last fortnight. They are stacking weight back onto themselves and present in forward store condition. It has been a challenging year with ongoing wet, please keep in mind that the ewes had 2 inches of rain on them day before assessment. Note. approx 50% have some degree of grown toe, they have been paired in the past for management. They have also been bathed in zinc as a precautionary method to dry in between toes . see pictures and animal health description above.
