Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Annual sale of Weaver family young ewes. Representing the lead draft of 600 (with the majority of the heavier skin sheep removed), These Concordia Blood ewes have provided great satisfaction for previous buyers in terms of wool cut & fertility. This drop of ewes are very well grown, present with great bloom and are in ideal condition for joining. Come with our highest recommendation. A second draft of 160 is also on offer in this sale.
