Assessor Comments	**Annual sale of 4.5 Year Old Ewes** **Outstanding Ewes** These 340 Ewes would be the Pride of any flock, its hard to go past these 4 1/2 Yr Old merino ewes, with 70 years of top Merryville genetics behind them & more recently the last 8-10 years the McGinnisken family have paid up to $8500 at Roseville Park. Great bodied, strong robust ewes cutting 6.5kgs and only testing 18 mircon, these ewes come with my highest recommendation. These ewes have been Gudair vaccinated, mouthed, titted and feet have been gone over with a fine tooth comb so you can buy with confidence. Outstanding ewes with plenty of lambs left in them yet. These Ewes are not culls they are currently a mob of 488 ewes the first 340 will be run out the gate and the vendor will keep the 148 left. A fantastic opportunity to buy genuine well bred sheep.
